Position: **Assistant Professor, Department of Computer Science**

Specializations: Cyber Security, Cognitive Systems, Data Analytics, Computer Science, IoT, Cloud Computing

PSGR Krishnammal College for Women, a premier autonomous institution, invites applications for the position of Assistant Professor in the Department of Computer Science. We are seeking dedicated and dynamic individuals with a strong commitment to teaching, research, and contributing to the academic environment.

Key Responsibilities:

1. Develop and deliver undergraduate and postgraduate courses in Computer Science with a focus on Cyber Security, Cognitive Systems, Data Analytics, IoT, and Cloud Computing.
2. Engage in scholarly research and publications in relevant areas.
3. Supervise student projects, theses, and dissertations.
4. Participate in departmental and college activities, including curriculum development and committee service.
5. Foster a collaborative and inclusive academic environment.

Qualifications:

a) A Ph.D. in Computer Science or a related field with a specialization in any of the specified areas.
b) Completion of National Eligibility Test (NET) or State Level Eligibility Test (SLET).
c) Demonstrated excellence in teaching and research.
d) Proven track record of publications in reputed journals.
e) Experience in guiding student projects and research.
f) Strong communication and interpersonal skills.

Preferred Qualifications:

i. Post-doctoral experience or industry experience in relevant fields.
ii. Experience in securing research grants and funding.
iii. Active participation in professional organizations and conferences.

Application Procedure:

Interested candidates should submit the following:

a. A cover letter detailing their teaching philosophy, research interests, and relevant experience.
b. A comprehensive curriculum vitae.
c. Copies of academic transcripts and certificates.
d. A list of publications and research projects.
e. Contact information for three professional references.
